Where should real estate investors put their money in

2016?

Forbes teamed up with North Carolina-based data company Local Market Monitor to produce its list of 2016 Best Buy Cities – the top 20 housing markets to invest in this year - and **Florida dominates the list.** [Read the full article here.](#) Florida Association of Realtors, Information Inc.

A firming economy, solid job growth, rising consumer confidence, higher household formations and pent-up demand are helping to bring buyers back into the marketplace, and these factors will bode well for housing in 2016....[Read the full article here.](#) By: National Association of Home Builders, Contact Stephanie Pegan.

LARGEST FULLY ENTITLED DEVELOPMENT OPPORTUNITY IN SOUTHWEST FLORIDA

This 598-acre property is fully entitled for a mixed-use development of nearly 5,000 units of single family and multi-family homes, Life Care and associated commercial uses. All permits are active and up to date for both projects, comprehensive due diligence available by registering at EntradaLand.com.

Investors are diving into the U.S. industrial

market, chasing after a property type that's having one of its best recovery cycles on record because of the never-ending need for more e-commerce distribution space. [Read the full ar-](#)
